

CALIFORNIA TRANSPORTATION COMMISSION

DUTY STATEMENT

Classification Title: Associate Governmental Program Analyst		
Working Title Associate Governmental Program Analyst	Position Number 696-004-5393-XXX	Effective Date January 2023

The California Transportation Commission (Commission) is an independent public agency dedicated to ensuring a safe, financially sustainable, world-class multimodal transportation system that reduces congestion, improves the environment, and facilitates economic development through the efficient movement of people and goods.

The Commission is responsible for programming and allocating funds for the construction of highway, passenger rail, transit, and active transportation improvements throughout California. The Commission also advises and assists the Secretary of the California State Transportation Agency and the Legislature in formulating and evaluating state policies and plans for California's transportation programs. The Commission is also an active participant in the initiation and development of State and Federal legislation that seeks to secure financial stability for the State's transportation needs.

GENERAL STATEMENT

The Associate Governmental Program Analyst (AGPA), under the direction of the Associate Deputy Director or the Assistant Deputy Director, will perform a variety of analytical assignments and is expected to work independently on the development, evaluation, and monitoring of policies and procedures for the State's multi-modal transportation system. The incumbent also assists in the evaluation of current and pending issues for Commission action. The incumbent also contributes to the development of program guidelines, policies and procedures; and assists in the coordination of financial, legislative, and environmental matters of the Commission. The incumbent is expected to consistently exercise a high degree of initiative and originality in performing assigned tasks. All duties are to be performed in accordance with Commission policies.

Specific duties and activities include, but are not necessarily limited to:

ADA Notice For individuals with sensory disabilities, this document is available in alternate formats. For alternate format information, contact the Forms Management Unit at (916) 445-1233, TTY 711, or write to Records and Forms Management, 1120 N Street, MS-89, Sacramento, CA 95814.

TYPICAL DUTIES

Percentage (Essential Functions (E) / Marginal (M)¹) – Job Description

70% (E) – Programming and Allocating Funding

- Provides support and takes leads on interpreting and adapting of statewide guidelines for statewide programming guidelines and/or procedures for Commission administered funding programs
- Provides support and takes lead on summarizing of programming requests, addressing policy issues raised by each proposal, for presentation at public hearings
- Provides support and takes lead on responding to requests from and interpreting program guidelines for recipient agencies ensuring compliance with program guidelines and state and federal law
- Responds to issues raised by regional agencies, Caltrans, or other interested parties
- Prepares documents and plans for workshops with stakeholders to gather feedback on program guidelines, policies, procedures, and scoring
- Provides support and takes lead on analysis and competitive scoring of programming proposals from agencies
- Prepares the project lists for the State Transportation Improvement Program, the State Highway Operation and Protection Program, the Active Transportation Program, the Local Partnership Program, the Trade Corridors Enhancement Program, the Solutions for Congested Corridors Program, the Local Streets and Roads Program, and/or other programs, as applicable, for adoption by the Commission
- Compiles and displays data related to program composition for distribution to stakeholders
- Tracks Commission actions relative to Commission administered funding programs
- Tracks and assists with performance measures relative to Commission administered funding programs
- Assists in evaluating overall program performance including annual reporting to the Legislature

15% (E) – Performs Technical and Analytical Assignments to Support Commission Programs

- Researches, gathers, and compiles data from state and federal sources to prepare special reports, executive level presentations, correspondence, briefing documents, and spreadsheets requested by management in support of Commission funding programs
- Gathers, tabulates and analyzes data from the transportation programs and creates charts, tables and spreadsheets to present data

Associate Governmental Program Analyst – Programming
January 2023

10% (E) – Budgets and Resource Management Functions

- Takes lead on analyzing Commission policies on statewide guidelines and/or procedures for regional transportation plans
- Takes lead on reviewing and preparing comments for Commission consideration in response to regional transportation plans and state transportation plans such as the California Transportation Plan, the Sustainable Freight Plan, and the Interregional Transportation Strategic Plan
- Participates in planning workgroups and committees that ensure the policies and directions of the Commission are represented

5% (M) – Legislation and Coordination

- Takes lead on analyzing bills which have an identifiable impact on the State Transportation System, and in particular, those measures which influence transportation funding, the transportation funding programs, the Commission's allocation of funds, and other matters shaped by Commission policies and actions

¹ **Essential Functions** are the core duties of the position that cannot be reassigned. **Marginal Functions** are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

This position does not supervise; however, the incumbent may act in a lead capacity.

KNOWLEDGE, ABILITIES AND ANALYTICAL REQUIREMENTS

Knowledge of: Principles, practices, and trends of public and business administration, management, and supportive staff services such as budgeting, personnel, and management analysis; government functions and organization; and methods and techniques of effective conference leadership.

Ability to: Reason logically and creatively and utilize a variety of analytical techniques to resolve complex governmental and managerial problems; develop and evaluate alternatives; analyze data and present ideas and information effectively both orally and in writing; consult with and advise administrators or other interested parties on a wide variety of subject-matter areas; gain and maintain the confidence and cooperation of those contacted during the course of work; coordinate the work of others, act as a team or conference leader; and appear before legislative and other committees.

DESIRABLE QUALIFICATIONS

Awareness and sensitivity to social, economic, and environmental conditions which effect the transportation field; ability to work collaboratively with coworkers; ability to effectively work on multiple programs simultaneously and shift priorities to meet deadlines; ability to inspire the confidence of others; strong organizational, time management, decision-making and research skills; ability to work independently and be flexible; knowledge of federal and state regulations that apply to and impact the work of the Commission and the Commission's mission, goals, programs and policies.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Failure to use sound judgment in the execution of duties of this position could result in damage to the credibility of the Commission, limiting the effectiveness of the Commission's relationship with local partner agencies and could result in the loss of allocated funds for State and local projects.

PUBLIC AND INTERNAL CONTACTS

The incumbent must have effective communication with other staff members, Commission's Executive Director, and be responsive to information requests from Commission members and other stakeholders. The incumbent will also communicate regularly with other state agencies, the general public, and outside vendors and contractors.

WORK ENVIRONMENT

This position involves teleworking and reporting to the office as needed and/or required. The incumbent is required to comply with telework agreement policies and procedures.

While at their base of operations, the incumbent will work in a climate-controlled office setting of mixed hard-walled and modular furniture design. The primary workspace is of modular design under artificial light, containing computer and telecommunications equipment. Due to periodic problems with the heating and air-conditioning, the building temperature may fluctuate.

Travel: Occasional travel to meetings and hearings may be required.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Physical: The incumbent may be required to sit for long periods of time using a keyboard and video display terminal to review and access information.

Mental: The incumbent must have the ability to multitask, adapt to changes in priority and focus for long periods of time. Must be able to organize and prioritize work assignments.

Emotional: The incumbent must have the ability to develop and maintain cooperative working relationships, respond appropriately to multiple workload requests and conflicting deadlines. The incumbent must have the ability to resolve emotionally charge issues reasonably and diplomatically.
